Subject: RE: Petersen Ranch 4/19 IRT Meeting - Logistics

Hi Marlene, Nate and Shannon,

I just checked the travel time for tomorrow and Google is estimating it will take me 2 hours to get there. So, I may not make it depending on when my morning meeting ends. Hopefully the meeting ends before noon. I don't think I will be able to get there in time in the morning for the start of my morning meeting, but I appreciate the offer to use the onsite WiFi. I will text Marlene and Nate tomorrow to let you know if I will be there or not. I apologize for missing another site visit. Hopefully we get some new staff on board this summer so we aren't all stretched so thin.

If I'm not able to make it, I will follow up with Shannon later this week or next week. I'm mostly interested seeing how Area E is performing and deciding how to proceed with the various locations on that property.

Thanks,
Melissa

Subject: Petersen Ranch 4/19 IRT Meeting - Logistics

Hi all,

Looking forward to seeing you at the Ranch next week! Here are some details for day-of logistics:

Address for GPS Directions: 13216 Kellog Vally Rd, Lake Hughes, CA 93532, USA

The front gate will be open. Drive down the road and meet us at the Conference Center (see attached map). There are bathrooms, a fridge, and microwave there for your convenience.

We'll caravan from the conference center through the Rift Valley and down to Devil's Gate, then over to Petersen Stream, then we'll head over to the Elizabeth Lake property. Please bring layers, a hat, sunglasses/sunscreen, water, and comfortable shoes. We'll be doing a bit of hiking through grasses and shrubs so I recommend field pants and boots/sturdy shoes.

Contact information for everyone is below. Melissa, feel free to call any one of us on your way up, and let us know if you'd like to come by the Ranch early to take your preceding virtual meeting from the conference center.

Marlene - 248-499-0805

Nate - 916-508-4993

Grayson (Ranch manager) - 805-625-3266

Thanks and we'll see you Tuesday!

Marlene
